INeuron.ai

❖ This is the First page which will be shown on the window,in which 2 option will be shown such as About section and Mushroom classification

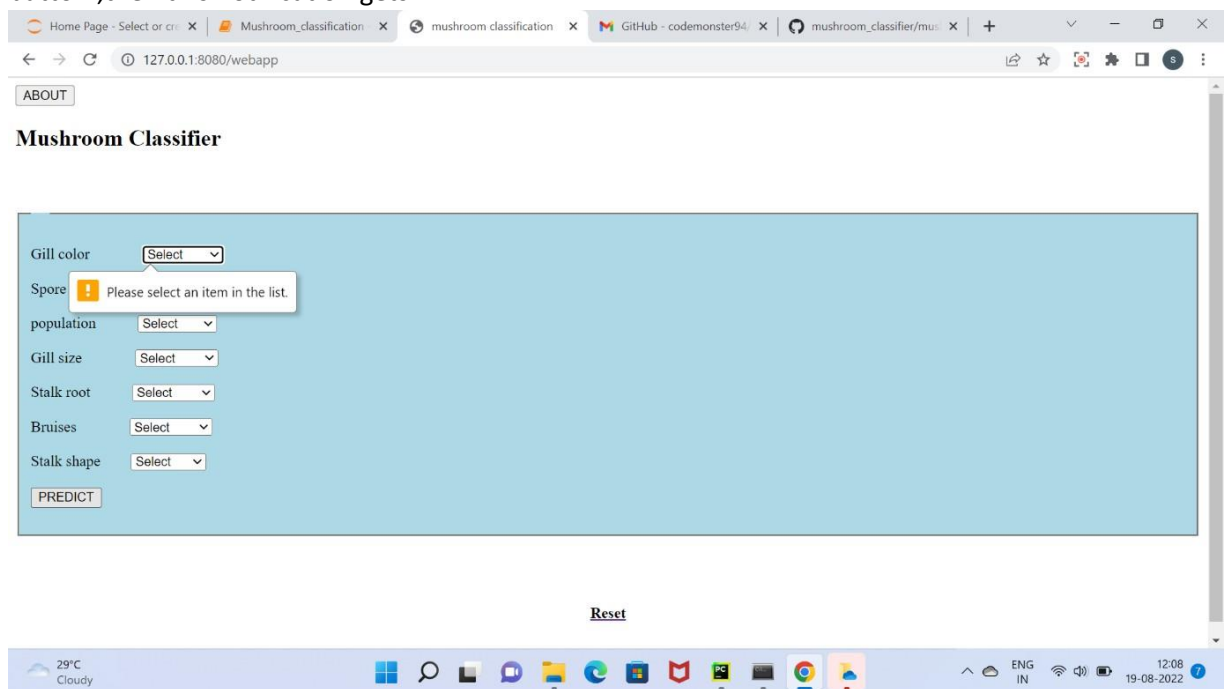

❖ If someone click on the About section ,then brief description will be shown of the selected topic

❖ If someone click on the Mushroom classification option then certain option will be shown that need to be filled.

❖ If someone does not specify all the necessary things asked but presses the 'predict button',then this notification gets.

❖ After giving all the necessary details if you will click on the predict button ,then this interface will be getting at the window ,whether the mushroom is edible or poisonous

Thanks
